BACK TO SCHOOL SUPPLIES

Coop Maisonneuve is a social economic enterprise located at the Collège de Maisonneuve. We are now proud to inform you that we've created a partnership with your school to help you buy all the school books and supplies you need for your child. Our website is a convenient and easy way for you to prepare for the back to school period and we will automatically apply the discounted membership price to your order, making it even more worthwhile to shop with us!

From July 12th, visit ***www.maisonneuve.coop***.
On the landing page, on the right, click on "Liste scolaire écoles primaires et secondaires". You'll then be able to select your school and the grade of your child to order the books needed and other stationery items.

You will have the option of picking up the order in store or have it delivered to your house. Delivery is free with orders of $50 or more. Otherwise, a fee of $4.99 will be applied to your order.

Note: We offer you an additional 15% discount off the membership price on stationery items and a 3% discount on books if you order online before September 3rd, 2019.

At anytime, you can verify, online, the availability of the books needed. The lists will be updated daily to reflect the availability of the books in store and the new information received from your school.

You can also visit our store at Collège de Maisonneuve, but take note that the different discount prices are offered for online orders only. From August 22nd, our store usually becomes very busy, so we highly recommend you to order online. To view our opening hours, visit ***www.maisonneuve.coop/fr/nav/Heuresouverture.html***.

For any inquiries, don't hesitate to email us at *information@maisonneuve.coop*

Thank you and have a beautiful summer!
